Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	<p>Transitioning from conventional to online teaching has been a challenge for teachers and students alike. Yet, all departments of the college have completed the syllabus efficiently in this pandemic situation.</p> <p>All the programmes taught in the college are affiliated to RGPV University, BHOPAL and hence, all departments are required to implement the syllabus prescribed by the University. The Timetable Committee headed by the Principal and a senior Faculty Member draws up a detailed timetable as per the guideline issued by the ministry which efficiently deploys the units of time for academic and co-curricular purposes as for example, theory, tutorial, life-skill, value education and add-on classes thereby ensuring a balance between the different types of engagement a student is expected to participate in.</p> <p>The departments strive for effective curriculum delivery through a combination of time-tested and innovative methods: beginning with an entry-point assessment of the student's aptitude and expectations relating to the course; and proceeding according to a set of teaching plans based on an academic calendar detailed enough to cover the available timeframe, yet flexible enough to permit changes.</p> <p>The teaching plans consist of detailed apportionment of the syllabus among all the faculties of a particular department. The apportioning is done democratically through discussion and deliberations among faculties in departmental online meetings. Faculty members take utmost care to complete the syllabus in time.</p> <p>Tutorials, class tests and internal assessments comprise the formal evaluative processes. Extra hours are devoted to taking remedial classes after completion of internal examinations to bolster students' preparedness before University examinations</p>
